

DESIGN Umberto Asnago

Anno di produzione: 2018

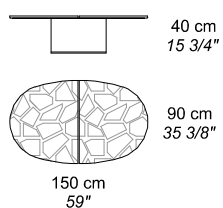

La proposta per i piccoli complementi da distribuire con libertà in casa si chiama Giotto. Tre tavolini ovali con dimensioni e altezza diverse, e con un piano in marmo con bordo lavorato a mezzotoro. La base in multistrato laccato e il piano possono essere scelti a piacere in base ai cataloghi aziendali di colori e pietre.

Year of Production: 2018

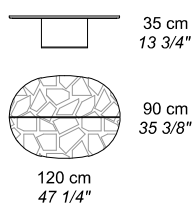

The proposal for small accessories to be distributed freely at home is called Giotto. Three oval coffee tables with different dimensions and height, and with a marble top with half-toroid edge processing. The base in lacquered plywood and the top can be chosen according to the colour and stone company finishing.
