

fusion

fusion footstool

Upholstery: light grey Lux Felt fabric 8310

Leg: oak

As shown ~~£999.00~~

£849.15

The fusion footstool's charming and modest look contrasts the voluminous fusion armchair and because of this they make a perfect match. While great for adding extra comfort to the fusion armchair, this modern footstool can also be used on its own, bringing a Scandinavian look to your living room.
