Tabletop: walnut veneer

Leg: anthracite grey burnished steel

As shown ~~£3,059.00~~

£2,600.15

Vancouver, with its wooden top and heavy feel, is an expression of a natural and organic strength. Its large table top ensures room for many and makes a statement in your dining space. The elegant metal legs provide a strong contrast to the heavy tabletop and ensures a light, yet strong and elegant look that makes the table radiate luxury and class. Need even more space around the table? No problem! The 2 extension plates easily make room for 4 more.
