

Boston

Boston chair with swivel and tilt function

Upholstery: cognac Chester leather 5091

Leg: brushed steel

From £1,699.00
£3,620.00

Don't think for a second that the clean, sleek lines of the Boston armchair equal an uncomfortable seat. Though it appears slim, the thick and soft seat makes the Boston armchair as easy on the body as it is on the eyes. Let the armchair cocoon you and relax to your full potential with the clever tilting function that turns this armchair into a recliner chair. Fitted with a swivel base that turns this chair so seamlessly, you'll want to take it for a spin.
