

FRIENDS LIGHT

Project: N. Delfinetti A. Scarpitta, 2001

Programma di sedute componibili e singole con profondità variate. Un luogo dove incontrarsi, parlare, riposarsi... Linee essenziali e stile sobrio, arricchiti da morbidi cuscini e da una trapunta estraibile sulla seduta.

A selection seating system of varying depths that can be combined or used as single pieces. A place for meetings, chats, rest... Essential lines and a sober style, enriched by soft cushions with a removable quilt.
