Collezione di divani ed elementi componibili disponibili in due profondità (medium e large) interamente sfoderabili, tranne nella versione in pelle, che viene realizzata sempre in "COSTA VIVA". Il rivestimento è impreziosito da bottoni "gioiello" e, su richiesta, può essere realizzato con particolari cuciture in contrasto.

Struttura: in legno con imbottitura in poliuretano rivestito in tessuto protettivo accoppiato.

Cuscini seduta: in piuma d'oca (Assopiuma) lavata e sterilizzata secondo le norme R.A.L., con inserto in poliuretano.

Cuscinetti decorativi: in piuma d'oca (Assopiuma) lavata e sterilizzata secondo le norme R.A.L., disponibili in diverse forme, misure e finiture.

Piedini: in PVC nero.

La seduta assumerà con l'uso un aspetto più morbido e vissuto. La leggera ondulazione della fodera deve essere considerata assolutamente normale e non può essere motivo di reclamo.

Collection of sofas and elements for compositions available in two different depths (medium and large) with fully removable covers, except in the version in leather, which is always realised in "COSTA VIVA". The cover is made more precious by "jewel" buttons and, on request, can also be produced with particular stitching in contrast.

Structure: in wood with padding in polyurethane foam with doubled protective cover.

Seat cushions: in goose down (Assopiuma) washed and sterilised according to R.A.L. regulations, with insert in polyurethane foam.

Small cushions: in goose down (Assopiuma) washed and sterilised according to R.A.L. regulations, available in different shapes, dimensions and finishings.

Feet: in black PVC.

The seat with use will develop a soft and lived-in look. The light waviness is absolutely normal and cannot be accepted as a reason for complaint.
