

Caravaggio

DESIGNED BY CECILIE MANZ

LIGHT
YEARS

The eye-catching, high-gloss lacquer Caravaggio pendants were launched in 2005 and instantaneously gained a status as a design icon. With Caravaggio, designer Cecilie Manz combines a recognisable shape with a modern expression. The simple, timeless pendant consists of a metal shade with soft, feminine lines and a chromeplated suspension with a more masculine expression. The textile cable is particularly well integrated into the design and gives the lamp its finishing touch.
