

IL LOFT / COLLECTION / ARMCHAIRS / FLOWER CAPITONNÈ

Flower Capitonè

Reception or relaxing armchair resembling a flower given the soft petal shape of the back. the structure is made out of wrought iron covered with resilient urethane foam. Every armchair is unique as it is produced and shaped manually and the shape of the petals may vary slightly. The soft padding of the petals and the shaped seating cushion make this an extremely comfortable armchair. The petals and the seat cushions are hand made capitonnè. The armchair can have a fix or swivel base.
