

IL LOFT / COLLECTION / WOODEN FURNITURES / OPUS

## Opus

Bookcase consisting of modular fitted components with a double thickness surface, laminated insert and supporting cross-sections. The components of the bookcase can be accessed, overlapped and alternated with shelves of different lengths and display cases with a transparent or acid-treated glass door. The bookcase is made out of wood from our collection and to sizes requested by the customer. Series of furniture with a double thickness surface with a laminated insert plus doors and drawers made out of wood from our collection.
