

IL LOFT / COLLECTION / SOFAS / DELTA WOOD LINEARE

Delta Wood Lineare

Following the success of the Delta sofa with fully upholstered feet, Il Loft created this elegant new version with exquisite solid wooden feet: a unique expression of Italian know-how and design. The Delta Wood sofa is available in linear and shaped versions to fully satisfy your every desire for contemporary furnishing. The shaped version is particularly striking with its double-height back that enables you to create snug, private spaces divided by unexpected armrest areas. An adaptable, customisable design that meets the demands of today's flexible homes.
