

Lucky è una sedia divertente ed universale; utilizzabile in caffetterie, enoteche, adatta per sale d'attesa e riunione e naturalmente per la casa. L'apertura posteriore risulta pratica nel suo utilizzo per alzare e spostare la sedia. Il modello è fornibile in molti colori vivaci e con diversi tipi di base in legno, metallo e pressofusione in alluminio. Lucky è stata creata in poliuretano integrale chiamato "soft touch" un materiale innovativo, morbido e leggermente flessibile.

Lucky is a funny and universal chair, usable for cafeterias and wine bars, suitable for waiting or meeting rooms and, of course, perfect at home. The shape comes from a particular mould which creates an extremely comfortable shell. This model is available in many bright colours for the shells and with different kind of bases in wood, steel and lacquered die cast aluminium. Lucky has been created in the soft, slightly flexible and innovative material "soft touch" a polyurethane integral foam.
