

UseMe

Winner of the most prestigious international prizes, the Good Design Award and the Red Dot Design Award, UseMe is a system of multi-functional tables with a unique and cutting-edge design. Minimalist and understated lines shape a strategic small furniture item for the optimisation of space and comfort when using contemporary devices. The top, with possible slant of 30°, has a support system which ensures optimal visualisation of the screen in an ergonomic position.

Projects

Sitland chez Gabriel, Parigi, France (2018)

Height adjustment, rond top
