

Flower

SANAA, 2010

vitra.

Flower

Flower is a bench with a slender centre and petal-shaped seat design reminiscent of a clover or a stylised blossom. It comfortably accommodates at least three people who can either engage in communication or face away from one another and relax in solitude.

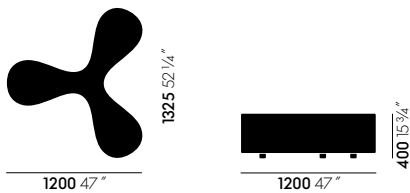

employed during the 7th Istanbul Biennial. Since then, the bench has been repeatedly produced in small numbers for individual projects, making it clear to SANAA and Vitra that Flower was ready to be developed for larger scale production.

Materials

- **Body:** MDF base plate.
- **Upholstery:** polyurethane foam.

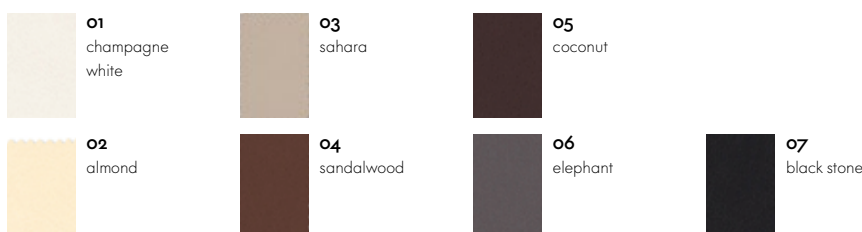

Initially conceived in 2001, Flower was first
