

Saddle

Giuseppe Viganò

The tub-shaped back and armrests, which recall the shape of a saddle, and the padded seat make this sofa enjoyably soft. The aesthetic appeal is accentuated by the leather insert in the armrest, which defines its front and allows for a singular game of materials and combinations, to create a high-impact optical effect. The metal feet lighten the shape of the sofa, emphasising its contemporary allure. The extensive modularity of the sofa makes it possible to create multiple configurations, suitable for all spaces.
