

Dragonfly

Karim Rashid

Indeed, a single gesture is required to turn this relaxing armchair, with its pleasantly evocative name, into a comfortable chaise longue. Dragonfly has a steel frame and a chromed, black nickel or painted matt white base; the padding is in polyurethane, while the fully-removable upholstery is in fabric, eco-leather or leather.

UPHOLSTERY:

fabric

eco-leather

leather

BASE:

chrome-plated

black nickel

painted matt white
