

GOOSE LOUNGE

by Kristian Sofus Hansen & Tommy Hyldahl

The Goose Lounge Chair is a softly shaped upholstered Lounge Chair available in different fabrics and leathers. The soft seat is contrasted by two pointing oak veneer legs crossing under the seat. With the main source of inspiration in the 1950's upholstered chairs, this chair is a merge between comfort and function. The Goose Lounge Chair is small but highly comfortable and functional. It is designed to fit into any kind of room with limited space but with the need for a comfortable lounge chair.

The legs are available in three different finishes; Natural, Dark Stained and Black. The seat can be upholstered with Canvas, Wool, Leather, Velvet and different Kvadrat fabrics.
