

MACCHIATO SOFA

by Rune Krøjgaard & Knut Bendik Humlevik

The Macchiato Sofa is an asymmetric modular sofa, with a high content of down feathers and upholstered with elegant fabrics. The Macchiato Sofa is all about the quality of the fabrics and comfort, challenging the common square modular sofa. The unique combination foam, memory foam and down feathers ensure that the sofa aligns to your body perfectly. The seats are low and deep allowing for the ultimate lounge feeling when socialising or relaxing. All modules come with accompanying pillows that welcome you to the sofa even before you sit down.
