ON THE LINE

uph-416-181-a

COLLECTION: Caracole Upholstery

DIMENSIONS: 62W x 36.75D x 37.75H

The mark of refined living rooms of the past is making a comeback. On The Line has all the characteristics of a bench merged with the comfort of an upholstered arm chair. However, its sleek lines and gently out turned legs in a Powder Puff finish bring this design into the modern age. For a style that mingles with other pieces, slide this little settee into your kitchen, foyer or bedroom for sophisticated extra seating.

CONSTRUCTION: Plush poly foam cushion. | 8-way hand tied seat.
