COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 23.75 dia x 24.5H

Sleek details and an interesting mix of materials give this little accent table undeniable charisma. Finished in a modern Tuxedo Black with contrasting silver nickel metal accents, it's topped with black glass and finished with a black granite lower shelf. Use this 24-inch round table as an end table in small spaces. For a chic, unexpected coffee table, place a matched pair in front of the sofa just offset to one side.

CONSTRUCTION: Shelf at bottom: 13.25" dia.
