THE ARISTOCRAT DINING TABLE

sig-416-201

COLLECTION: Signature Debut

DIMENSIONS: 98W x 50D x 30H

The Aristocrat Dining Table is a piece of jewelry unto itself. Its noble, French lines have been elegantly simplified and further enhanced by a soft Majestic Gold metal band that outlines the entire dining table's base. A unique eucalyptus veneer has been dyed to a rich Nightfall finish that enhances the depth of the wood's grain. The top is a beautiful complement to the slender, undulating base and trapezoidal legs that are wrapped in a warm taupe diamond-quilted leather. A true Signature piece, this table is elegantly proportioned at 98 inches by 50 inches, and extends with two 22-inch leaves to 142 inches for large gatherings.
