Creating a dining space with incomparable style is easier than ever with this chic table. Its one-of-a-kind top is crafted of radial-matched eucalyptus highlighted with a Dappled Mink finish, a silkscreen pattern in Warm Reflections and an exquisite Mother of Pearl inlay. A lustrous Warm Reflections finish highlights its shapely Art Deco-inspired pedestal. At its base, a plate mirrors the radial-matched eucalyptus in Dappled Mink from above and is outlined with a plated-metal band in Champagne Gold.
