This handsome bed offers you the perfect blend of masculine and feminine. Our rich Espresso Bean finish gives this bed a contemporized yet classic flair and assures it will coordinate with a variety of wood types and finishes in the bedroom. The headboard and side rails are upholstered in luxurious cream velvet with a hint of sparkle. For an added touch of elegance, the mahogany band that frames the headboard breaks allowing for the velvet to cascade over the top of the frame. A handsome fluted leg is the final distinguishing feature.
