DIMENSIONS: 82W x 89.5D x 102H

This is our first canopy for Caracole and we think it is over the top. At a height of 102 inches, it is a perfect solution for that elegant master bedroom that craves a

statement bed but not one that shouts at you. We finished the bed in a soft metallic Pearl finish that will work with anything. Since bedrooms should be soft, we upholstered the headboard in a natural colored linen that has a fleck of metallic in it. Then we quilted the border of the headboard and entire footboard for added interest and finished off the edges with a dressmaker detail of grosgrain ribbon.
