COLLECTION: Modern Uptown Occasional

DIMENSIONS: 50W x 19D x 28H

This small media cabinet is perfect for smaller spaces or takes on dramatic appeal when two are paired together. The graceful butterfly curves of its front are dressed in dark Heathered Oak with a contemporized dry sheen. Resting atop trapezoidal metal legs, two doors open to reveal two tray drawers for storage and two adjustable shelves. Cord access is conveniently hidden so as to not detract from the piece's suave beauty.

FINISH:

Heathered Oak Jazzy Taupe
