COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 20 dia x 23H

Sometimes just one little accent table is all a room needs to tell a room's story or give it a distinctive personality. Show the world you have a natural inclination with this earthy accent table. A tripod, Dark Bronze Metal base is topped with a

beautiful petrified wood top. It's the perfect companion for your favorite chair. These unique accent tables feature one-of-a-kind genuine wood tops. As with any natural material, the petrified wood used will vary widely in color and appearance. Your table may also reveal veining that may look like glue but is actually sap and is part of the authentic and unique appeal of these natural designs.
