BROADWAY CHAIR

m010-016-133-a

COLLECTION: Modern Uptown Upholstery

DIMENSIONS: 30W x 30D x 28H

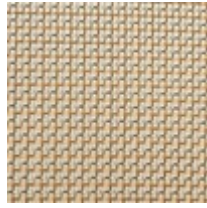

This smooth, elegant, slightly winged barrel chair holds a big surprise. A curved wood frame in Heathered Oak, with a contemporary dry sheen, runs along its top rail and down the arms to graceful saber legs. Fully upholstered in neutral linen with a soft pearlescent finish, a dramatic column of geometric woven two-tone metal fretwork runs down the rear of the chair. Offset with a muted satin throw pillow, this piece is as stunning from the front as it is the back.
