The distinctive beauty of the Art Déco movement is captured in the signature style of this fashionable cabinet. Decorative nails in a Champagne Gold finish create an artful stylized fan pattern across its two touch-latch doors. Place it in any room to add luxurious style and enjoy it as you would a piece of artwork. Topped with Moonlight Marble, it offers the perfect surface for display as well as serving beverages while entertaining. Its contemporized silhouette is crafted of elegant Koto veneers and finished in Winter Wheat. Inside you'll find an adjustable shelf and drawer while a shimmering Golden Blonde Leaf finished highlights its shapely base.
