DIMENSIONS: 90W x 19.25D x 36H

Connecting land and sea, this one-of-a-kind case piece lends substantial style to a space with its unexpected mix of materials and motifs. Crafted of wood veneers finished in Driftwood, it features four doors with individual, custom-cast glass panels that are lightly shaded from behind to create a frosted effect and framed in a Neutral Metallic finish. Behind each door, you'll find a lighted interior illuminating a Neutral Metallic finish plus adjustable glass shelves and a ventilated back panel. A Whisper of Gold finish gives the decorative pull tab a hint of glimmer. Creating the look of a poured-glass stream, this extraordinary case piece is destined to be the star of the room.
