COLLECTION: MODERN ARTISANS

DIMENSIONS: 14W x 32D x 24H

Form embraces function in this dynamic end table. The natural beauty of our oak finish comes together with artisan glass in this perfectly proportioned end table. The character of the artisan bubble glass top comes to life when illuminated from the integrated light below, activated by a touch-switch. A table that meets all your storage needs. Illuminated open interior with glass shelf. Two deep drawers, one with a tall divider to keep magazines neatly stored away and at arm's length. Each piece of cast bubble glass is unique and the bubbles will

vary in size and shape. Some of the bubbles may be open at the surface and not fully enclosed.
