THE ELEMENTAL ARM CHAIR

sgu-418-032-a

COLLECTION: Signature Upholstery

DIMENSIONS: 36W x 36.5D x 39H

Drawing inspiration from the classic Klismos chair, this exaggerated wingback chair offers up a whimsical silhouette and iconic Mid-century Modern style. Pitched at just the right angle and positioned on conical, splayed brass legs, this comfy chair adds character and conveys a sense of personal style. It's upholstered in a highly textured, taupe-grey herringbone fabric with a loose, matching lumbar pillow. A design detail of note: the chair's thin sides gently curve and fold outward at the top—adding a comfy armrest and interesting dimension to the chair's silhouette. The designer artfully aligned the upholstery fabric's herringbone weave to accentuate this curve.
